**Re: Withdrawal of Request for Extension or Waiver of 700 MHz Guard Band
Performance Requirements
WT Docket No. 17-201**

Dear Mr. Stockdale:

FELHC, Inc., ("FELHC") by its undersigned attorney, hereby withdraws the Request for Extension or Waiver of 700 MHz Guard Band Performance Requirements ("Extension Request") filed June 29, 2017.¹ As discussed with Commission staff, FELHC is exploring alternatives to the relief proposed in the Extension Request to allow FELHC to deploy 700 MHz guard band spectrum in support of critical utility requirements. Licensees BPC Spectrum LLC, Access 700 LLC, and Dominion 700 LLC join in the withdrawal of the Extension Request.

Please contact the undersigned with any further questions regarding this matter.

Respectfully submitted,

Greg Kunkle
